

COMFORT strategy

Invest efficiently and at low cost

COMFORT «strategy» is geared to adhering rigorously to your investment strategy. Adjustments are regularly made for deviations due to market changes, in line with your chosen investment strategy and the original asset allocation (rebalancing).

The mandate invests exclusively in passive investment funds. Thanks to the simple, straightforward portfolio structure, your chosen investment strategy can be implemented efficiently and at low cost.

How you benefit

- Professional asset management available as of CHF 50,000
- Efficient, low-cost implementation thanks to passive bond and equity funds
- Consistent and systematic investment process within the scope of your investment strategy
- Constant monitoring of your portfolio
- Periodic rebalancing of the portfolio in line with your strategy
- Detailed reporting and all the documents you need for your tax return (only available for selected countries)

«What we recommend to our clients is also good for St.Galler Kantonalbank. We have faith in our Investment Center experts. That's why CHF 30 million of our assets are invested in the COMFORT asset management mandate.»

Christian Schmid
